

Gurukul Public School – Weekly Updates

71st Republic Day celebrated in our school.

She is a student of UKG. She has been selected as the student of the week for excellent performance in class as well as good behaviour and discipline.

Martyr's Day and Basant Panchami

On 30th January we commemorated Martyr's Day (Mahatma Gandhi's death anniversary) and celebrated Basant Panchami. Our students remembered Bapu and gave him shradhanjali by singing his favourite song "रघुपति राघव राजा राम पतित पावन सीता राम". On the occasion of Basant Panchami, students wore yellow, the colour of basant (spring).

Meeting with the parents of the children who are going to the **Madhubani Tour** organised by Catterfly. We are really thankful to **Catterfly** for organising this tour for our students. Parents were quite excited to send their children on this tour that also includes a visit to Nepal.

Science Exhibition and PTM:

Science Exhibition and PTM was held at our school. Science Exhibition was a great experience for our students to understand the concepts of science through experiments. They used waste material to make their machines. Vacuum cleaner, smoke absorber, crane, cooler, fan, motor boat and many more machines they made. The children's parents were quite positive and said, "Humare bachche bhi engineer ban sakte hain". It shows that they want to teach their kids but because of the lack of opportunity they are not able to. Our school is trying to fulfill the dream of such villagers who also want to see their kids as successful as those in cities.
