Two Minutes Meditation:

.....
We hold a two-minute meditation session in the morning to help our students make their mind peaceful and focused towards their study.

These pages are not taken from the drawing class but from the English class. We encourage our students to draw illustrations from the chapters to make their learning interesting.

Class 5: Art and crafts work done by our students.

Annual Exams are on for Class 9. Exams for this class is being held earlier than for other classes so that the session for students in their Board exam can be started earlier.

Anwasha Shukla is a student of Class 2. She has been selected as the student of the week for being very active in class as well as being good in her studies.
